### BETHUEL HEALTH COUNCIL TRUSTEES MEET

Friday, September 9, the Board of Trustees of the Bethuel Health Council met at Rev. Law's home. The Council's clothes closet must be moved from the Lawrence Bailey barn. This service has been helpful to so many people in the area, that it is imperative that a new location is found immediately. If anyone has a barn or room they would allow the Council to use or rent please call Rev. Law. The closet will be locked except for one afternoon a week when it is open under supervision.

Non Timberlake is chairman of the committee for the Family-Life Conference to be held in Bethuel. It is hoped this program will include teenagers and parents and will have outstanding men in the field as speakers. Mrs. Timberlake will report her committee's progress and solicit help at the next meeting.

October 6 is the general meeting which is open to the public. All organizations were sent cards asking their representatives name. If you haven't already please send your delegates name to Box 430, Bethuel so that your group will be included and con-

### BETHUEL YOUTHS TO SPONSOR HORSE RIDES AND FOOD SALE

A meeting of the Bethuel Youth Council was held Sunday night and plans were suggested for the purpose of raising money for a proposed youth center. The first project is a food sale and horse rides to be held Saturday, from 10:00 to 1:00 on the Common. So come on, Mothers! Bring your children up for a ride and get some dessert for dinner at the same time. The youth need the support of the townspeople if they are to help themselves.

### Attending before meetings

Procedures to take in an emergency will be the program for the October 6 meeting. If you are not certain what steps to take in an emergency or have an interest in the Family Life Conference, don't forget Oct. 6.

Attending the convention of the Savings Banks of Maine in Quebec City were: Edmund Varhon, Robert Hastings, Mr. and Mrs. Henry Hastings, Mr. and Mrs. Wilbur Myers, Mr. and Mrs. Addison Saunders, Mr. and Mrs. Andrew Boyd and Mr. and Mrs. Howard Cole.

### COMMENTS FROM THE TOWN MANAGERS OFFICE

1967 excise tax books were received last week from the office of the Secretary of State. There are a number of people who like to pay their excise tax early. The receipts are now available for anyone who wants to pay the excise tax for next year. Excise tax payments for the first eight months of 1966 are nearly \$1000 ahead of payments for the same period in 1965. The increase can be attributed to more vehicles on the road, more late model cars on the road, and the increased cost of new cars.

Just a word here on where the excise tax money goes. During the year the money is in the operating fund of the town. On December 31 of each year, all the money collected for excise taxes is transferred to the surplus account. At the next annual town meeting a certain amount of money is taken from surplus rather than raise it by taxes. Part of that surplus money comes from the excise taxes.

The new two year automobile operator's license has caused a little confusion. For one thing, the application comes from the State and it should be received by the applicant about four weeks before his birthday. If a person doesn't get an application at least two weeks before his birthday, he should write the Secretary of State requesting an application. If a person has a change of address he should notify the Secretary of State of this. This is especially true if there was no forwarding address left at the previous U. S. Post Office.

Some might think that I will be a member of the Bethuel Town Office. I am not. All applications for a license must be received from the Secretary of State. The main reason that two offices can't get the applications to State control. The State has more control over persons who have lost their licenses when all applications are turned by the State. The system is new and it might take awhile to get accustomed to it. I believe more people will accept it after it has been in operation for a while. At least there are a lot fewer persons to constantly check without a license than under the old system.

### REPUBLICAN CANVASSERS FOR BETHUEL NAMED

The Republican Finance Committee for the town of Bethuel is in operation. The quota this year is \$100. The total budget for the town is \$2000.

The canvassers are: Sam and Lucille Timberlake, Richard and Lucille Brown, Louise Lincoln, George Stowell, Dick Waldron, Henry Hastings, Wilbur Myers, and Jerry Howe.

Chairman of the Finance Committee is Jay Willard.

### FORMER WEST BETHUEL MAN ADMITTED TO TEXAS BAR

Word has been received that Burton P. Rolfe, son of Mr. and Mrs. Bernard Rolfe of West Bethuel, was licensed to practice as an attorney in Texas at a swearing-in ceremony Wednesday, September 14. The ceremony took place in the Texas Supreme Court in Austin.

Mr. Rolfe went to Dallas, Texas, in September of 1957 to attend Southern Methodist University. Graduating in June, 1961 with a B. S. degree in mechanical engineering he accepted a position as a thermodynamicist engineer with the Texaco Vaught aerospace division.

Burton P. Rolfe

Mr. Rolfe was married June 2, 1964 to a graduate of Hingham High School, Dallas, who is also a graduate of S. M. U. with a B. A. degree.

In September of 1964, Mr. Rolfe was awarded a D. Sc. degree from S. M. U. and was named a Distinguished Graduate. He is now a graduate of the Texas Bar Association.

We received word last Thursday that he has joined the ex-amination of the Texas Bar Association.

### EVENING EXTENSION GROUP TO MEET TUESDAY

The Bethuel Evening Extension will meet Tuesday evening, Sept. 20 at 7:30 p. m. The topic of the meeting will be "Growth and Change." Mrs. Scott Perkins, Bryn Mawr, will be present to discuss the growth of the town. A few of the speakers will be charged to the speakers. Anyone wanting to be on the list or to be on the list should call Mrs. Perkins at 444-1111 or 444-1112.

### SCHOOL DIRECTORS MEET ACCEPT WELL DRILLING BID

The Board of Directors of Maine School Administrative District No. 44 held their regular meeting at Andover High School on Monday evening, Sept. 12.

The Directors received bids for the drilling of a well at the site of the area high school. The low bid of \$4,918 of Stanley E. Hall of Gorham, Maine, was accepted. The only other bidder for the project was R. E. Chapman, with a bid of \$5,161.

The architect expects final plans for the proposed building will be available by Oct. 3. Lester Bickford of Greenwood estimated that bids may be opened during the first week of November.

The composition of the soil at the high school site is such that additional test borings will have to be made so as to make sure an adequate foundation is provided for the building.

At the request of Andover residents and after discussion the Directors authorized that the District would provide transportation for Andover students enrolled at Gould Academy. The rate allowable will be \$700 per pupil a week.

The Board of Directors accepted, unreservedly, the resignation of Stephen Hall of Andover. Mr. Hall is moving to Massachusetts.

The next S. A. D. 44 Directors meeting will be held at the Greenwood High School in Bethuel at 7:30 p. m. on October 3.

An old fable suggests this. A certain dog, as the story goes, boasted of his prowess as a runner. One day he raced after a rabbit, but was unable to catch it. When the other dogs, mindful of his previous boasting, ridiculed him, he replied, "You must remember that the rabbit was running for his life while I was running only for my dinner."

○ If a man is in life's race merely for his dinner, he does not put the same interest and energy into his running that he does if he is impelled by a deeper incentive. Jesus summarized this matter tersely when He said, "Man does not live by bread alone."

## U. OF M. PUBLISHES "FINANCIAL AID" BULLETIN

A Financial Aid Bulletin designed to help University of Maine students track the real life cost of living has been published by the University.

The 55-page bulletin provides detailed information on the many aspects of financial assistance available to each year of the university and from outside sources.

Robert Wason, director of student aid, says the bulletin is designed to help students understand the financial aspects of college education, from the cost of tuition to the cost of living.

The bulletin is available to students at the University of Maine campus and to parents and friends of students.

Assistance is given by various state, federal, state and university funds, past time, credit, and other ways.

Students are urged to contact the financial aid office for more information.

The financial aid office is located in the University of Maine building.

## COMMUNITY DRAINAGE PROJECT COMPLETED AT CANTON POINT

A mile long community drainage project has recently been completed at Canton Point. The project involved the cooperation of three landowner groups and several state and federal agencies.

The landowner groups are the Monmouth Canning Company, J. Carleton Conant & Son, and Erlon Trip and Richard McCollister.

The Oxford County Soil and Water Conservation District acted as vendor and administered the contract.

The State Highway Commission cooperated by replacing the old culvert across route 149 and lowering the culvert to meet the design specifications of the Soil Conservation Service.

The County Committee of the ASCS assisted by providing some cost-sharing funds for the project. P. E. Dunn of Poland was the lowest bidder and completed all construction work.

The excavation averaged about one yard per running foot. Some 5129 cubic yards of earth were moved. The ditch averaged 11 feet wide at the top and five feet wide at the bottom. The minimum depth was two feet. Fifty acres of intensely eroded land will be immediately affected.

Some 400 acres will eventually be affected through surface drains and land grading now that a main outlet has been provided.

Conservation supervision was under the direction of George P. Holden, Technician of the Soil Conservation Service.

## WSON TO HOLD GENERAL MEETING TONIGHT

The general meeting of the W. S. O. S. will be held Thursday, Sept. 15, at the Methodist Church. A program entitled "Dynamics in Dialogue" will be presented by Mrs. Annie Gordon, president. All members are urged to be present to discuss the final preparations for the Portland District meeting which will be held here on Sept. 29.

Although the Friday Gift Shop has closed for its twelfth season, articles may still be purchased from the following members: Mabel Greenleaf crafts, Abbie Brown, knitwear, Sylvia Luntun, children's articles, Annie Gordon, jewelry, novelties, cards and stationery, Elsie Davis.

It was reported that a quilt was purchased from the Gift Shop last week and will be mailed to France. Many hours of Christian love and work have been put into the articles displayed in the Gift Shop and the workers can only feel a deep pride and great satisfaction in their efforts if a little of their Christian fellowship spreads throughout the town, the country and the world.
